## Global Partnership Connected with Arts

2022

**ASIA:** 58 institutions  
**EUROPE:** 60 institutions  
**AMERICAS:** 22 institutions  
**OCEANIA:** 2 institutions  
**AFRICA:** 1 institution

**43** countries  
**143** institutions

\*Domestic Partnership:

**17** universities **16** local governments  
**31** public institutions **13** private institutions

## ALIA (Asian League of Institutes of the Arts)

K-Arts spearheaded the establishment of ALIA in 2012 to enhance higher education in the arts throughout Asia and develop further regional cooperation. K-Arts was designated to be a permanent Board of Director of ALIA in 2016.

## ELIA (European League of Institutes of the Arts)

ELIA is a globally connected network located in the Netherlands that provides a dynamic platform for professional exchange and development in higher arts education. K-Arts' partnership with ELIA facilitates knowledge exchange, international networking, and collaboration.

## AEC (Association Européenne des Conservatoires, Académies de Musique et Musikhochschulen)

AEC is a voluntary coalition representing higher music education institutions in Europe and beyond. Established in 1953, the AEC works for the advancement of music and arts education, and has around 300 member institutions for professional music training in 57 countries. K-Arts joined AEC in 2022 as its first Korean member institution.

## Exchange Students

2022

K-Arts offers exchange student opportunities on a semester basis with partner schools overseas, and is open to both undergraduate and graduate students. Students can earn credits towards graduation, with opportunities to challenge themselves, encourage creative activities, and broaden their scope in a new cultural environment.

**Inbound**  
12 countries  
45 students

**Outbound**  
12 countries  
59 students

## CAMPUS Asia Project

2012-2022

### (Collective Action of Mobility Program for University Students in Asia)

Trilateral school exchange hosted by Korea's Ministry of Education, Japan's Ministry of Education, Culture, Sports, Science and Technology, and China's Ministry of Education. It offers collaborative co-working in animation production, student exchange, and Korea-China/Korea-Japan Dual Degree Programs.

**3** countries  
**292** students

## Internship Abroad

2011-2022

Our internship program strengthens the work skills of our students and expands their mindset through practical experiences abroad. Selected students receive financial support for airfare and insurance and work as paid interns while earning academic credits.

**Korean Cultural Center Interns**  
18 countries  
54 students

**King Sejong Institute Foundation Interns**  
26 countries  
48 students

## AMA\* (Art Major Asian plus Scholarship Program)

2005-2022

State-funded scholarship to help exceptional artists from developing countries earn undergraduate or graduate degrees in K-Arts. Full tuition, round-trip airfare, monthly stipend, national health insurance and more are provided to AMA\* students. Program alumni have become renowned artists in their home countries, pioneering advances in the arts and enhancing artistic capacities.

**32** countries  
**325** students

## Study Fair for International Students

2020-2022

With the National Institute for International Education and Korean embassies abroad, K-Arts has been participating in the 'Study in Korea Education Fair' to attract and recruit outstanding international students.

Brazil, Chile, China, Colombia, Indonesia, Japan, Malaysia, Mexico, Mongolia, Peru, Taiwan, Uzbekistan, Vietnam
