with the journals

## OPEN ACCESS, GLOBAL IMPACT

### Advancing Precision Engineering Research Without Barriers

The Korean Society for Precision Engineering is pleased to announce that their three flagship journals will transition to fully open access beginning January 1, 2027.

#### Why open access?

- ✓ Global accessibility - no paywalls
- ✓ Higher visibility & citation potential
- ✓ Faster dissemination of results
- ✓ Aligned with global open science

#### Member-Exclusive APC Benefits

| Journal  | Journal Member APC | Non-member APC |
|----------|--------------------|----------------|
| IJPEM    | USD 1,000          | USD 1,667      |
| IJPEM-GT | USD 1,760          | USD 2,200      |
| IJPEM-ST | USD 1,000          | USD 1,667      |

Member rates apply to Regular or Student Members with active membership at the time of submission.
